Sir:

Status Inquiry

The subject application was filed on July 25, 2001. We have periodically checked for status and on January 14, 2004, the examiner returned our call advising that the case is on docket and that examination is about 36 months behind and she estimated that probably sometime in the summer of 2004 we should receive a first Official Action. We still are awaiting that first Official Action.

Please advise as to when we will get the first Official Action in the subject application.

Respectfully submitted,

Date: March 16, 2005
